Dear parents of boarders,

Boarders are allowed to go home tonight

Since there is a great possibility of class suspension tomorrow due to the typhoon Haima, boarders are allowed to go home after school today. Parents may also choose to let their children stay at school tonight. However, if the EDB makes an announcement for class suspension tomorrow, boarders will have to stay in the dormitory until parents come to pick them up.

Wish you all a safe and dry weekend.
