Visit to Science Museum

In order to further your child's understanding and appreciation of science topics being taught in our lessons, the school has organised a field trip to the Science Museum in Tsim Sha Tsui. Students explore the exhibits in order to learn more about the current and upcoming science topics. Details of this mandatory field trip are as follows:

Date: 23rd October 2019 (Wednesday)
Time: 8:30 am – 12:30 pm
Fee: \$47 (will be directly debited from your bank account)
Dress Code: School P.E. uniform
Remark: Students will return to School for lunch and the lessons in the afternoon after the trip

In order to make the trip a success, our School will require a few helping hands. We will need six parent volunteers per class and a confirmation email will be sent to the selected parent volunteers on a first-come, first-served basis. Thank you.

Please complete the reply slip in our School app by 16th October 2019 (Wednesday). Should you have any further concern, please contact your child's English teacher on 2813 8410.
