

Everest School App User Instruction

ESA is an intelligent school app to enhance the communication between parents and the school. By the tailor-made, user-friendly and practical app functions, the parent will have a better understanding about the school and the school life of the kid. Besides, the parent may receive the instant school news, message from the class master and school notice with electronic reply. The parent can review the daily homework, submit leave application and check the attendance.

How to Download

Simply search and download the ESA app in the Apple Play Store or the Google Play Store by the name"學訊通".
